

THE GLASGOW SCHOOL OF ART

GSA has four standard Board Meetings per annum, normally held in December, March, June and October. A Board away-day is also held, normally in February. Minutes from Board Committee Meetings held in the interim are published as part of the papers for the subsequent Board Meeting. The agendas, papers and minutes from these meetings are routinely published on GSA's website (see below).

The agenda, papers and minutes are published after the subsequent Board has taken place, normally within 8 weeks.

From December 2017, GSA has used a colour key system ([Redaction Key](#)) when applying any FOISA exemptions so as to easily inform the reader which of the above exemptions have been relied on a per-use basis. GSA seeks to apply FOI exemptions on a minimal basis.
