I/We

give our consent to _____ applying to and studying at The Glasgow School of Art.

We accept that it is our responsibility to make the necessary arrangements for travel to the UK, reception on arrival in the UK, accommodation in the UK and care arrangements in the UK whilst they undertake their studies.

We will make travel arrangements for this student to travel to Glasgow on time to begin their course and will arrange suitable accommodation for them within a reasonable proximity to The Glasgow School of Art. We give our consent to this student living independently whilst in the UK.

As this student is under the age of 18, we are aware that they must be accompanied by an adult to collect their BRP. We will either travel to the UK with the student to collect the BRP from the designated Post Office ourselves or we understand that a member of University staff will have to accompany the student to the Post Office, however this may result in delays.
