

English Language Qualifications

Applicants who require a Student Visa, and who are not a national of, nor have obtained a degree in one of the countries on the [approved UKVI exemption list](#), will need to provide evidence of their English language ability through the use of a standardised test. The test results listed below are recognised by GSA and can be used to satisfy English Language conditions for entry to our Undergraduate and Postgraduate programmes.

GSA prefers applicants to provide a test result from List 1 (Accepted English Language Tests). Applicants unable to provide a test result from List 1 may also consult List 2 (Alternative English Language Tests and Qualifications).

The exact entry requirements will be shown in the conditions of your offer letter. All test results must be dated within 2 years of your programme start date.
