3. OFFERS

- 3.1 A description of our programmes of study and applicable fees are set out on our website, www.gsa.ac.uk, in our offer letter and/or in our relevant publications. By applying to study and accepting an offer to study at GSA, you confirm you have received information on the programme of study you have chosen and are aware of the associated fees and payment terms for the relevant study programme.
- 3.2 Your offer from GSA will either be conditional or unconditional. If your offer is conditional, you must fulfil the conditions before being made an unconditional offer of a place which will allow you to take up your place on the programme of your choice.
- I. If your application is made through UCAS, GSA will send your offer electronically to them and you will be able to check your offer on your Track account.
 - II. For applications made directly to GSA, you will receive an email outlining your offer which will be sent to the email account you used when making your application.
- 3.3 If your offer is conditional, we will advise you in your offer of admission, the date by which you must meet your conditions. If you are not able to meet the conditions by this date, GSA reserve the right to withdraw your offer or defer your application to the next year of entry.
- 3.4 You may request to defer your offer of a place for a maximum of one academic year. Deferral requests will be approved by the relevant department and you must meet the following admissions requirements before a deferral can be processed.
- If you apply via UCAS, you must have accepted an unconditional offer by the end of the admissions cycle that you apply in.
 - If you are a postgraduate applicant who applied directly to GSA, you must have accepted your conditional or unconditional offer plus have paid your deposit as outlined in your offer letter.
- 3.5 There may be occasions when GSA needs to amend an offer before you have confirmed your acceptance and we reserve the right to do this at our discretion. In the unlikely event that this is necessary, we will inform you of what the change is as soon as reasonably practicable and where possible, we shall follow this up with an updated offer for your consideration.
- 3.6 Once you have confirmed acceptance of your offer and we have received this acceptance, the contract between you and GSA is formed. Except in the circumstances set out in Clauses 4, 5.2 and 12.2 below, should we wish to make any amendments to your Contract following your acceptance of our offer, these shall be discussed and agreed by you before we can update the Contract.
- 3.7 You are required to register/enrol at the start of your proposed programme of study and thereafter (as appropriate) for each subsequent year of study. We shall inform you of the

date by which you must enrol for your programme. As part of enrolling, you will be asked to agree to our Enrolment Terms and Conditions as issued at that time.

- 3.8 GSA does not guarantee accommodation as part of this offer and would strongly advise that accommodation is secured as early as possible/in advance of travel.

4. CHANGES TO PROGRAMMES BEFORE ENROLMENT

- 4.1 GSA's aim is to provide you with the learning and teaching experience and outcomes as advertised on our website at the point you accepted our offer. There will be times where we will have to make variations to our programmes before you enrol. The reasons for this may include the following to:

- I. Comply with external, professional accrediting or other regulatory body requirements
- II. Comply with a change to the law
- III. Ensure the quality of the programme we deliver
- IV. Ensure the curriculum is relevant to the intended learning outcomes
- V. Implement feedback from academic advisers, external examiners and students, for the benefit of the students

- 4.2 In the event GSA is of the view changes to the relevant programme are necessary, we reserve the right to make these changes and we will inform you as soon as practicable. We will also explain to you the reasons for the change and how they may impact on you. If you decide not to continue as a result of these alterations, we will endeavour to transfer you to an alternative programme for which you are qualified (for which tuition fees shall be payable).

- 4.3 GSA may have to suspend or discontinue a programme prior to enrolment (including after accepting our offer) due to:

- I. Withdrawal of relevant accreditation
- II. To address concerns about the quality of the student experience
- III. Insufficient numbers of suitable applicants

- 4.4 If your programme of study is suspended or discontinued, GSA will endeavour to provide you with a suitable alternative course within GSA (for which tuition fees will be payable).

5. STUDYING AT GSA

- 5.1 GSA expectations extend to your personal and professional conduct and all students must abide by our [Dignity and Respect at Work and Study](#) policy, [Student Policies](#) and [Student Regulations](#).

- 5.2 GSA will use all reasonable measures to deliver your programme and courses of study as outlined at the time of offer and in accordance with the [Programme and Course Specifications](#) documents. To ensure our programmes and courses continue to develop and adapt to meet required learning outcomes, they are reviewed regularly with the aim of enhancing the student learning experience. As a result of these reviews, changes may be made to programme and course content but with due consideration to safeguarding academic standards and assuring the quality of your learning experience.
- 5.3 During your studies you must adhere to the GSA Code of Assessment (which can be found on the Key Documents [and](#) Policies page of our website) and use all efforts to fulfil the academic requirements of your programme, including submission of coursework, other assignments and attendance at examinations and other required events.
- 5.4 If you do not act in accordance with this Contract or any document referred to in it, GSA may take disciplinary action against you under the [Student Conduct Policy and Misconduct Procedure](#). This may lead to your studies being suspended or terminated or the application of other penalties.
- 5.5 GSA will assess your academic progress throughout your studies and at the end of your programme you may be eligible to graduate with an award and programme title appropriate to the level of study, you have achieved. For students who do not complete enough credits to be eligible for an award, they will receive a transcript confirming the courses undertaken and the grades achieved.
- 5.6 As a general principle GSA, recognises the student as owner of any Intellectual Property you produce while an enrolled student. This principle may be subject to variation in the case of collaborative or externally sponsored work, or other exceptional circumstances. Further guidance can be found in our [Intellectual Property Created by Students](#) policy.
- 5.7 At the point of enrolling as a student at GSA, you will be given access to the GSA IT network and be provided with a GSA student email account and Student ID card. This provision will remain active for the duration of your time as an enrolled student. Once you have completed your studies, and are no longer enrolled on a programme, your access to GSA facilities will normally be terminated 14 days from when you are eligible to graduate. You will be informed at least 14 days in advance of the termination of your IT account.
- 5.8 When you have completed your studies, you may be eligible to graduate with an award from GSA. If you are eligible to graduate, you will be invited to register to graduate either by attending a graduation ceremony or in absentia. You will be invited to graduate at the ceremony scheduled directly after you receive your final results. If you do not register to graduate at this ceremony, you will be included in cohort of students eligible to graduate at the next available ceremony. If you fail to register for three consecutive graduation ceremonies, GSA will presume you are not wishing to graduate at this point in time and will no longer invite you. If you decide to graduate at some point in the future, it is your responsibility to contact GSA. Please note that you cannot graduate if you have any outstanding tuition fee debt.

- 5.9 A digital copy of your final year dissertation/extended essay/critical journal/curatorial rationale/thesis will be stored digitally by GSA Library for the purposes of private non-commercial research or study by GSA staff and students.
- 5.10 The conditions listed below are in conjunction with GSA's Child Protection Policy and applies to students entering full degree programmes at GSA:
- i. GSA is an adult environment where students are treated as independent and mature individuals. Students at GSA are normally aged 18 years or above. However, GSA occasionally admits students who are under the age of 18 years at the start of their programme of study. For the majority of these students, that status will be for a limited time period, as they will usually turn 18 in the course of their first year.
 - ii. Applications from individuals who will be under the age of 18 at the point of registration will be considered on a case-by-case basis, and GSA may require that admission be subject to the application of specific entry criteria and/or conditions. The signing of the GSA's [Parental Consent Form](#) for the Admission of Students under the Age of 18 Years will be required as a condition of any offer of admission to any student under 18
 - iii. No applicant under the age of 18 will be admitted to GSA until the [Parental Consent Form](#) has been signed by both the student and their parents/guardians, returned, and a risk assessment commenced (to include accommodation / departmental support / student support).
 - iv. No applicant under the age of 18 will be sponsored by GSA, for a student visa, until the [Parental Consent Form](#) has been signed by both the student and their parents/guardians, returned, and a risk assessment commenced (to include accommodation / departmental support / student support).

6. TUITION FEES

- 6.1 GSA will advise you of your annual tuition fee when offering you a place on your chosen programme. If your programme duration is more than one academic year, you will be asked to pay this fee for each full year of study. If, for any reason, you are not studying for a full year, for example, undertaking resits or taking a Leave of Absence, the tuition fee you pay for that year may differ. Please refer to our [Fees, Funding and Finance](#) pages for further details on what you will pay and information on the [GSA Fees Policy](#). Tuition fees are subject to our financial regulations and reviewed annually. Any changes will be made prior to the start of each academic year.
- 6.2 The tuition fee amount you are required to pay is the cost associated with your fee category at the point of enrolment, not the point of offer. If you defer your offer of a place you will receive an updated offer letter with any revised fee. This is normally sent out once the tuition fees have been confirmed for the next academic session.
- 6.3 If you defer your offer of a place and between the period of receiving the original offer and your enrolment date, your circumstances change, it may be necessary to reassess your fee category in accordance with UK regulations surrounding fees. This may mean your tuition fee amount could change. Information on HE fee regulations in Scotland can be found on the [UKCISA](#) website.
- 6.4 It is your responsibility to ensure all fees are paid in a timely manner and in accordance with

the payment plan you have agreed with our Finance Office. Failure to pay fees by the stipulated date, may result in access to GSA facilities being removed until payment is made. GSA cannot be held responsible for any classes, tutorials or other teaching you may miss because you cannot access facilities due to unpaid tuition fee debt. Tuition fee debt will also result in you being unable to graduate until it has been paid in full.

- 6.5 If you are expecting to have your tuition fees paid by a third party, it is your responsibility to ensure this is in place for each year you study at GSA and on request, provide us with information on the party responsible for paying your fees and any other relevant information we require for our internal records. Any tuition fees not paid by a third party will become the responsibility of the student.
- 6.6 In addition to your tuition fee, for most of our programmes you will incur additional costs for materials, use of equipment, study trips, events etc. More detail on additional costs can be found on the programme pages of our website under the 'Indicative Additional Costs' section of the [Fees, Funding and Finance](#) pages on the GSA website.
